## FOR IMMEDIATE RELEASE

### **Jet East Aviation Announces Michael Hamilton as Vice President of Operations and Fleet Accounts**

**Trenton, NJ, November 7, 2017** - Jet East Aviation is pleased to announce they have recently hired Michael Hamilton as Vice President of Operations and Fleet Accounts.

Michael has 24 years of aviation maintenance experience and over 8 years in upper management roles. His career began in 1993 as an aircraft mechanic for the US Navy where he performed maintenance on the H-60, P3, and S3 while also performing various in-flight technician duties. After the Navy, Michael served as a Maintenance Manager for Flight Options, DOM for Great Lakes Aviation, Logistics Manager for the V22 Osprey Program, and most recently serving as the DOM Procurement for TMC Jets.

"We are excited to have Michael join our team. We are looking for continued growth and someone with his background and experience is a perfect catapult to assist in client, business and eventually facility expansion," said Gary Lee, President & COO of Jet East Aviation.

As Vice President of Operations and Fleet Accounts, Michael will be responsible for the Operations side of the business and the management of the Fleet Accounts. He can be reached at [mhamilton@jeteastaviation.com](mailto:mhamilton@jeteastaviation.com) or by phone at (215) 937-9020.

Jet East Aviation is located in Trenton, NJ and is known as the leader in mobile AOG maintenance in the Northeast United States, offering 24-hour AOG services. Jet East has a full-scale maintenance footprint providing services in mobile AOG maintenance, avionics sales, troubleshooting, repair and installation, major and minor inspections, maintenance services and Non-Destructive Testing (NDT).

Additionally, Jet East specializes in Hawker and Cessna Citation parts and accessories and maintains a large inventory of parts at their 2,000 sq. ft. parts facility in Trenton. For more information on Jet East aviation, please visit our website at [www.jeteastaviation.com](http://www.jeteastaviation.com) or call us at (215) 937-9020.
