FOR IMMEDIATE RELEASE

**WEST STAR AVIATION Voted #1 in Professional Pilot Magazine's 2018 PRASE Survey
for Fifth Consecutive Year**

May 10, 2018 - West Star Aviation is proud to announce the company has been voted #1 Preferred Maintenance Repair and Overhaul (MRO) in the 2018 Professional Pilot Magazine's Annual Preference Regarding Aviation Services and Equipment (PRASE) survey for five consecutive years. The publication began including the category "Best MRO" in 2014 and West Star has been voted #1 every year from 2014-2018.

Professional Pilot magazine is a staple in the business aviation industry and has nationwide coverage reaching over 22,000 readers worldwide. The publication provides feature information, editorial and industry news to pilots and corporate aviation professionals. The PRASE survey is an interactive reader to editor conducted survey on an annual basis by Professional Pilot magazine in which industry professionals, pilots, and aircraft maintenance professionals vote based on their experience, performance, quality and company knowledge in a wide range of categories.

"I cannot emphasize how thankful we are that we were voted #1 MRO provider for the fifth year by the readers who took the PRASE survey. These are customers and industry professionals who vote, and we are thrilled that our heritage of world-class service continues to shine," said Debi Cunningham, Vice President of Marketing, West Star Aviation. "We strive on a daily basis to provide excellent service and we hold these titles with honor at our company," Cunningham continued.

Voted #1 Preferred MRO for five consecutive years from 2014-2018 in *Professional Pilot Magazine's* annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO and Conroe-North Houston Regional Airport in Houston, TX. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
