RBR Maintenance Welcomes Mark Leavitt As Aircraft Maintenance Sales

Dallas, TX, December 19, 2014- RBR Maintenance, Inc. recently announced they have hired Mark Leavitt as Aircraft Maintenance Sales. Mark joined the RBR team in December 2014 and will be conveniently located in Little Rock, Arkansas, in order to serve current and potential customers in the Mid-South region of the U.S. and beyond.

With nearly 40 years in aviation, Mark has extensive knowledge on all aspects of aircraft completions, maintenance, avionics, and paint and interior projects, especially on the Hawker line of aircraft. Throughout his career, Mark has held senior level positions in which he oversaw complete maintenance operations and worked one-on-one with customers. Mark's previous titles include General Manager, Operations Manager, and Senior Completions Manager.

"We have been making some positive changes during the last couple of months in order to offer additional services and better serve our customers in 2015. Hiring Mark is just one of those changes," says James Noe, Vice President of Operations, RBR Maintenance. "His industry knowledge and years of experience make him a valuable asset to our team as well as a valuable resource to our customers. We are excited to have him join the RBR team."

In his new position, Mark will be responsible for generating maintenance sales and providing one-on-one service to current and potential customers. Mark can be contacted directly at 501-297-9538 or m.leavitt@RBRMX.net.

With over 30 years of experience in the aviation industry, RBR Maintenance, Inc., is a Certified FAR-145 Repair Station, offering complete maintenance, inspection, avionics installation and repair, structural repair and modification, as well as parts services for Hawker, Citation, Falcon and Gulfstream aircraft. Conveniently located at Dallas Love Field, RBR's facility is equipped with the latest technology, equipment and the most highly trained technicians in the business. To learn more, or to schedule service visit www.rbrmx.net or call 214-351-6604.
