English Field Aviation Promotes Jamison Adams to Account Manager

Amarillo, TX, October 5, 2015–English Field Aviation (EFA) is pleased to announce that Jamison Adams newly joined the EFA team as Account Manager.

Jamison has a diverse background and has done sales and account management for more than 10 years with agricultural, industrial construction, feed lot and oil field companies. He has been with EFA for about a year and a half, and most recently held the position of Detailing Department Manager there.

"EFA has sought to hire someone who would have the sole purpose of ensuring our clients' needs are met and that they stay happy with our products and service," says Travis Lamance, EFA Co-Owner & General Manager. "Jamison is charged with the task of letting the 'flying public' know who we are and what EPA can do for them."

Based at the Amarillo location with the ability to travel and provide services, Jamison will be working primarily with EFA's maintenance team. He will be traveling the region on a regular basis, looking for new clients, interacting with existing ones, as well as making and presenting them bids.

Specializing in King Air aircraft, EFA (English Field Aviation) provides professional aircraft maintenance, avionics upgrades and inspections and refurbishment services. From small inspections to complete renovation packages, EFA has the comprehensive capabilities to meet client requests and deliver concierge quality customer service. As an FAA approved Part 145 facility, EFA features fully trained and certified technicians who utilize the latest tools and practices to deliver accurate, timely and reliable aircraft service you can trust. Offering two convenient, mid-continent locations in Amarillo, TX, EFA is perfectly positioned to serve you at Rick Husband International Airport (KAMA) or Tradewind Airport (KTDW). To learn more visit www.efa.aero or call 1-806-322-1971.
