**For Immediate Release**

**West Star Aviation Announces Renewal of Hawker and Citation Service Center Agreement.**

**Grand Junction, Colorado December 9, 2015** - West Star Aviation is pleased to announce the renewal of their Textron Aviation Authorized Hawker and Citation Service Center Agreement at their Grand Junction, Colorado (GJT) Location.

"In an era of OEM Service Center Agreement uncertainty we are extremely proud that Textron Aviation has renewed our agreement", stated Robert Rasberry, CEO of West Star. "The Hawker and Citation MRO services segment has been a focus of West Star for years and we continue to invest resources in its growth."

West Star GJT offers full service, one-stop capabilities to Hawker and Citation Operators including maintenance, avionics, component overhaul, paint, interior refurbishment, and is a Honeywell TFE731 and GTCP36-150 Line Service Center. In addition, West Star GJT is approved by Textron Aviation for Hawker landing gear overhaul.

Voted #1 Preferred MRO in *Professional Pilot* magazine's annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey for two consecutive years, West Star Aviation, Inc. specializes in maintenance, avionics installation and repair as well as complete paint and interior services for most airframes flying today. Additional capabilities include a full component and accessory overhaul and repair shop, parts support and window repair services.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Columbia, SC. West Star Aviation has satellite operations at Aspen-Pitkin County Airport in Aspen, CO, Chicago Executive Airport in Chicago, IL and Centennial Airport in Denver, CO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
